### Community Orchard Plaque Order Form

Our Tree sculpture Melting Heart (Liquefactio cordis) has been named and made from recycled metal sourced from Tollesbury by local artist Simon Earney and is positioned in the centre of the community orchard.

We are giving you the opportunity to have an engraved plaque installed on our tree sculpture to celebrate a loved one or occasion. Each plaque is made in the UK from solid sheet brass and engraved with a bespoke message of your choice. For a one off fee plaques are placed on the tree by TCP. Proceeds from the plaque will go to fund the upkeep of the orchard.

The plaque will darken over time so white text can stand out better. Please visit the orchard to see examples of plaques that are installed on the sculpture.

The fee for a single plaque plus fixings to the sculpture is £60 including VAT. If you would like to order more than one plaque then please fill out two forms, example of the plaques are below and the character limit:
